

Reduced Fare TAP Card Available to Full-time Students!

HOW DOES IT WORK?

The TAP card is a reusable plastic card that contains a smart chip which stores the fares required to ride the Foothill and Metro buses. When you board the bus, just TAP and go! You can reload your card on-line and at most transit locations. The ASI Games Room, Etc. will reload TAP cards for Metro bus riders.

HOW DO I GET A COLLEGE/VOC TAP CARD?

1. Go to the Registrar's Office to get a date stamped schedule as proof that you are a full-time student.
2. Complete a College/Vocational TAP card application, available on-line, at most transit sales locations, ASI Games Room Etc., or the Rideshare office.
3. Take the schedule and application to one of the transit sales locations. Applications are available at transit sales locations, ASI Games Room Etc., the Rideshare office, or on-line from Metro.
4. Your card will be mailed to you. Allow 20 days for processing.
